

# CREATE LIKE NEVER BEFORE IN ARKANSAS' LARGEST SOUNDSTAGE!

Farm Studios is the only stage of its size within 500 miles of Northwest Arkansas. Sitting on 4.5 acres in the heartland, the stage is large enough to accommodate a full 18-wheel tractor trailer and then some! There is no project too large or too small for this facility.

With over 10,000 square feet of available shooting space, the stage boasts a large corner cyc wall and 15-foot grid, complete with space lighting to make for the best shooting experience for film, tv and photo in Northwest Arkansas.
